Infant-Toddler Monthly Learning Theme:

"Staying Healthy"

This month's theme is "Shapes & Colors." Children will learn about themselves by comparing facial characteristics and their senses, through various literacy, dramatization & math activities.

Pre-School Monthly Learning Theme:

"Health Minds & Bodies"

The students will learn about "Health Minds & Bodies" throughout the month through various literacy, dramatization & math activities that are in alignment with the NYS Pre-K Common Core Learning Standards. For details on the NYS Common Core, visit:
